WORK HISTORY

Marketing and Administration
Sereni Fries Ltd; January 2016 to date
Duties and Responsibilities

Marketing roles

- Marketing and coordination of sales at Sereni Fries Ltd. Acting as the link between the client and the company, listening and solving clients complain and making sure they are up to date on any changes made.
- Achieved and exceeded the sales targets for 2018 and 2019. In 2018 I facilitated opening a new branch in Nakuru and brought in new clients hitting the expected targets by the end of the year.
- Coordinating print, arranging and developing presentations to communicate key messaging and initiatives to targeted group.
- Assisted in creating and updating new company blog and helping to establish and strengthen Sereni Fries LTD social media presence.
- Assisting in the comprehensive redesign of Sereni Fries website and realizing an increase in web traffic.
- Demonstrating outstanding verbal and written communication skills while thriving in deadline driven, fast-paced environments.
- Charged with branding and marketing of services.

Administration roles

- Providing administrative support in areas such as calendar management and travel coordination.
- Filling, recording and updating of suppliers and clients files.
- Responding to queries (phone calls and emails) according to set procedure.
- Sourcing and purchasing of office supplies.
- Gathered statistical information about clients and purchases, and created reports for owner.
- Confidentially handled business tax information, legal documents, and customer information.
- Drafted invoices for vendors and past-due letters for customers.
- Supervised support and office staff.

Finance roles

- Prepared NHIF, NSSF, KRA, payroll and Rent invoices for payments before deadline.
- Used ERP Software (Enterprise Resource Planning) to collect, store, manage and interpret data to help in purchasing, marketing and inventory management.
- Create Quick books for daily accounting. **Key Achievements**

-
- Successfully introduced a better and more efficient filing method that demonstrated accuracy and ensured accountability.
 - Developed a way to update the daily progress of the establishment to the director when he is away.
